Time for a change? See what's next! Dogwood Commons is just minutes from all the conveniences you need and love in Harrisonburg. Offering 1-bedroom apartments with plenty of space, this is a quiet community for those looking for a place of their own. The spacious living room fades into the dining area, which is open to the kitchen. There is a laundry closet in the apartment so you don't have to share with the rest of the community. The bathroom is in the common area hallway so that guests don't have to go through your bedroom to get to it, and the large bedroom has TWO extended closets. Just off Reservoir between RMH & JMU, this community has amazing value and great location on the edge of the city.
