This small community is located just off Chicago Ave near EMU. The first floor of these townhomes have a living room, kitchen, pantry, and half bathroom with an exit to both the front and back of the home. The stairs in the living room will take you up to the full bathroom that's shared by the two bedrooms that each have their own oversized closet. Bedrooms and living room are carpeted, the kitchen and bathrooms have easy to clean and water resistant vinyl flooring. The kitchen sports white cabinets for a very clean look - a blank slate to make your own and call it home!
